New Sports Development Coming to Green Bay Area

ASHWAUBENON, WI (May 8, 2009) - You are cordially invited to attend a ground breaking ceremony for a new sports development that will be located in the Green Bay Area.

With the economy as bleak as it is, here is a positive story about true entrepreneurship and what can be accomplished with an innovative idea, creative financing, a good business plan, and plain guts.

The groundbreaking event will be held on site Tuesday, May 12 at 9 a.m. at the corner of Packerland Drive and Fernando Drive. Press kits with electronic drawings and background information will be available for your use. Attending the event will be the developers, Village of Ashwaubenon officials, the builder and architect, the lender, and other Green Bay area dignitaries.
